Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Monday 09 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Heavy rain clearing to sunshine and showers.

Today:
Outbreaks of heavy rain clearing east this morning, with a mixture of sunshine and scattered showers following. The showers possibly heavy at times, especially in the afternoon. Breezy across the region, especially along coastal areas. Maximum temperature 21 deg C (70 deg F).

Tonight:
Daytime showers ease into the evening, leading to a dry night. With skies clearing, it will feel cooler, particularly in the south of the region. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Cloudy start to Tuesday, with sunny spells and a few scattered showers, less frequent than recently, that ease into the afternoon. Feeling a little warmer than Monday with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
A cool and fine start to Wednesday, becoming cloudy with some drizzle in the west. Rain moving across the region on Thursday, clearing by the evening. Much drier on Friday.
